Sports Reports

Field Coordinator, Tom reporting

- Tom handed out the field maintenance chart for the sports. He suggested that we tweak those assignments in December when we meet again.
- Tom requested that each sport come to the December meeting with their maintenance expenses so we can review our current method of maintenance and possibly make changes. One potential idea talked about is having weed and fertilizing done by one coordinator as a means of saving money.

Soccer, JD reporting

- The season is winding down. Recreational and Classic will be done mid November
- There will be a U16 Girls team entering the Winter league for the first time in several years

Softball, Chris reporting

- Fall Ball is done
- Open gym program will be starting up soon

Lacrosse, Kurt reporting

- The two organizations who handle the high school and middle school programs have undergone big board changes and the programs seem to be in flux
- Registrations start in November.

Football, Steve reporting

- Their Spaghetti Fundraiser went well
- They are looking into starting a K-2 flag football league. It would be held in the spring if there is enough interest
- The Youth Cheer and been handling concessions at games and that has been a good partnership financially for both parties.

Baseball: No report, Ryan left for another meeting

Old Business: None

New Business:

- Sports are having advertising difficulties for registering players. The schools used be very proactive in getting the words out years ago by passing out flyers we provided to them but as the years have gone by it has been very difficult to get the word out through the schools.

Meeting was adjourned at 7:52 PM

Respectfully submitted
